

Outreach & Communications Subcommittee  
Meeting minutes, May 15, 2008

1. The discussion was centered on planning for the upcoming media blast that is designed to update municipalities, environmental groups, and others about the current status of the CCGHGRTF

- Tom will check on the status of the vendor number for our media specialist
- Keith pointed out that we can put our streaming video on the county website

2. Targets for our outreach were discussed and some of the ideas included:

- NPR
- Democracy Now
- Senator Andrew Dinniman
- IU at “Schools for Superintendents”
- Radio talk shows

3. Keith suggested that we consider working with Randy Price to manage the look and structure of the website.

4. Meeting closed with plans to further our outreach event in the hopes of broadcasting no later than June.
